## **Racer's Waiver and Liability Release**

### PLEASE READ THIS DOCUMENT CAREFULLY – IT AFFECTS YOUR RIGHTS

The undersigned being over the age of 16 (“Driver”) has requested that American Indoor Karting (“AIK”) allow Driver to participate in certain racing activities at AIK’s indoor race facility located at 1400 Central Park Blvd, Fredericksburg, Virginia 22401 (the “Facility”)(which term includes the race track, adjoining staging and viewing areas, locker rooms and all other areas in and outside the building, including the parking lot). The undersigned has been advised and understands that racing activities in which the Driver will participate and the areas in which the racing activities will occur can be dangerous and involve a number of risks including death or serious bodily injury. As an inducement of AIK to allow Driver to enter the Facility and participate in the racing activities, Driver, for himself or herself and his or her successors, heirs and legal representatives, does hereby expressly agree and acknowledge the following:

1. Driver hereby voluntarily assumes any and all risks involved or in any way related to Driver’s participation in racing or presence at, within or around the facility, including, but without limitation to, the risk of death, bodily injury or property damage resulting from collision between his vehicle and another vehicle, a person or a stationary object, skidding, overturning, sudden stops, braking, or accelerating, fire, explosion, entering and exiting the karts on pit lane, the unavailability of emergency medical care or the negligent or deliberate acts of other drivers or persons.
2. Driver releases and forever discharges AIK, its members, managers, employees and their respective agents, affiliates, successors, heirs and assigns, the owners of the facility; The Rappaport Companies, (the Landlord of the building), any Rappaport manager, owner, employees and their respective agents, affiliates, successors, heirs and assigns, and all persons directly or indirectly, having an interest therein (together, all of the foregoing being referred to as the “AIK Group”), from, and agrees not to sue them on account of or in connection with, any claims, causes of action, injuries, damages, costs or expenses arising out of the Driver’s use of or presence at, within or around the Facility, including, without limitation, those based on death, bodily injury, or property damage, whether or not caused by the negligence or other fault of any member of the AIK Group, including strict product liability without fault. THE FOREGOING RELEASE IS INTENDED TO BE THE MAXIMUM AND BROADEST RELEASE PERMITTED BY LAW.
3. Driver waives the protection afforded by any statute or law in any jurisdiction whose purpose, substance and/or effect is to provide that a general release does not extend to claims which the person giving the release does not know or suspect to exist at the time of executing the release.
4. Driver agrees to indemnify and hold the AIK Group harmless from and against any and all claims, causes of action, damages, judgments, costs or expenses, including attorney fees, which in any way arise from Driver’s conduct at the facility and any and all damages to the Facility, to any other driver or to any other person caused, directly or indirectly, by Driver, whether by inadvertence, negligence, willful misconduct or otherwise.

Driver acknowledges and agrees that Driver has been advised of and understands the safety procedures and rules for participating in racing activities at the Facility; Driver agrees to strictly abide by all safety and other rules and expressly agrees not to participate in any events or utilize the Facility under the influence of alcohol and/or any drugs.
6. Driver agrees that in event of any accident which may require immediate medical/dental or any other emergency care, in which no next of kin can be notified in a reasonable amount of time through reasonable means, AIK is hereby authorized to take all necessary actions as it relates to immediate medical/dental or other care, transportation and emergency medical services as warranted in the course of care of the Driver.
